Chatham- Kent Police Service Special
Constable Appointment Form.

Recommendations: Receive the Report for Information
Purposes

The Community and Safety Policing Act (CSPA) came into effect April 1, 2024. Section 92 of the Act requires police services boards to appoint special constables working within their organization. Previously under the old Police Services Act, the appointment of special constables was mandated to the Ministry.

As part of this new responsibility for police services boards, an appointment form containing all the necessary information was required, and became the responsibility of each individual Board. Attached is the proposed Special Constable Appointment Form for the Chatham-Kent Police Services Board. Contained within the appointment form are all the necessary items needed for the Board to approve the appointment of a special constable under the CSPA. The items found on the document include; general information about the employee, authorities governed as per O. Reg. 396/23, police powers, use of force equipment, training, and duration (five years).

If approved, this form shall be used as of April 1, 2024, for all special constable appointments. All current special constables employed with the Chatham-Kent Police Service remain appointed, until such time as their previous appointment expires. At expiry, they would be re-appointed by the Board, if approved.
