<b>Board Report Number:</b>	<b>4.2 (Regular)</b>
<b>Date of Report:</b>	<b>December 16, 2025</b>
<b>Date of Board Meeting:</b>	<b>January 14, 2026</b>
<b>Reference:</b>	<b>Special Investigations Unit Parallel Investigation #25-OSA-352 and Chatham-Kent Police Service IA-25-047</b>
<b>Recommendation:</b>	<b>Receive and approve the report</b>

**BACKGROUND**

As per Sec. 81 (1) and O. Reg. 603/20 of the Community Safety and Policing Act (CSPA) if an investigation is conducted by the Special Investigations Unit (SIU), the Chief of Police shall investigate,

- a) The member's conduct in relation to the incident;
- b) the policing provided by the member in relation to the incident; and
- c) the procedures established by the chief of police as they relate to the incident.

In a letter dated December 9, 2025, SIU Deputy Director Stacey O'Brien notified the Chatham-Kent Police Service (CKPS) Chief of Police that SIU file #25-OSA-352 had been terminated and a report regarding the matter would not be issued.

Below is a review of the incident and relevant parallel investigation conducted by the CKPS.

**INCIDENT SUMMARY**

On August 29, 2025, the complainant was arrested on multiple charges and later experienced a medical emergency while in police custody. While in hospital, it was learned that the complainant had reported being sexually assaulted by a CKPS officer several years ago. Upon receiving this information, the officer notified their supervisor. CKPS reported the disclosure to the SIU, who invoked section 15 of the SIU Act, resulting in an investigation.

## **SIU FINDINGS**

In a letter dated December 9, 2025, the SIU advised they have terminated their investigation and that no report would be issued on this matter.

## **INTERNAL INVESTIGATION / CONCLUSION**

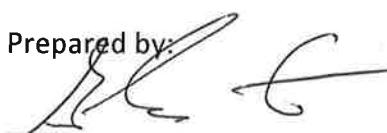

In accordance with Section 81 (1) and O. Reg. 603/20 of the Community Safety and Policing Act, The Chief of Police is required to complete a thorough internal investigation into the incident and review; member's conduct, the policing provided by the member and the procedures related to the incident. This section outlines obligations related to transparency, accountability and compliance. The CKPS investigation was initiated to meet these responsibilities.

The Professional Standards Branch conducted an internal investigation to ensure transparency, accountability and compliance. As a result of this investigation, the following findings were made:

- Disclosure was promptly reported to Supervisors and Professional Standards. (CKPS Procedure – LE.09.004 – SIU Investigations).
- SIU was contacted by the CKPS SIU liaison officer, CKPS continued to assist their agency as required. (CKPS Procedure – LE.09.004 – SIU Investigations)

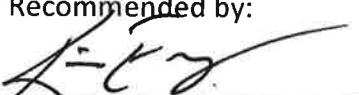

Based on a review and analysis of all available information with respect to the information provided by the complainant, The Professional Standards Branch has determined that all police procedures related to the incident were in keeping with legislation and written such as providing adequate and appropriate guidance to its members.

<b>Board Report Number:</b>	<b>4.3 (Regular)</b>
<b>Date of Report:</b>	<b>November 20, 2025</b>
<b>Date of Board Meeting:</b>	<b>January 14, 2026</b>
<b>Reference:</b>	<b>Board Citation for Life Saving Measures CK25057659</b>
<b>Recommendation:</b>	<b>Receive and Approve the Report</b>

On Tuesday, September 23, 2025, a new mother called 911 reporting that she was at her residence in Chatham with her 3-week-old infant son, who was unresponsive and struggling to breathe. The mother advised the 911 dispatcher that she was in the process of feeding her son when he began to vomit prior to going unresponsive.

At 3:25 pm, the priority call for service was dispatched with Chatham-Kent Fire Service, Chatham-Kent Paramedics and several Chatham-Kent Police Service units responding to the residence. Within seconds, Sergeant Fraser Leontowicz arrived on scene and while exiting his patrol vehicle was met by the mother, holding her son, who was pale with blue lips and unresponsive.

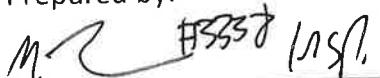

The infant was immediately handed over to Sergeant Leontowicz who immediately started CPR and rescue breaths on the infant child. Sergeant Leontowicz's life saving efforts were successful resulting in the infant regaining consciousness.

Paramedics arrived on scene at 3:29 pm, taking over the care and monitoring of the newborn child's vital signs and he was eventually escorted to the Chatham-Kent Health Alliance Emergency Department. The vital signs of the infant continued to improve, and he has made a full recovery.

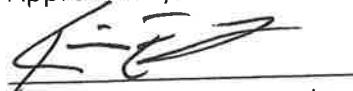

Sergeant Leontowicz's actions in an emotional and chaotic situation saved a young baby's life and it is only fitting that he is recognized by the Police Service Board for his actions by way of a Board Citation.

Please accept this Police Services Board Citation as a means of recognition and appreciation for outstanding work and dedication to the community you serve.
